

# ELKALUB

**Hochleistungs-Schmierstoffe**  
**High Performance Lubricants**

## Machine: Up and running!

**Speciality lubricants  
for brewery technology**

**For a consistent H1 lubricant concept  
with minimum variety**

- › Lubricating oils, special greases,  
oil sprays and cleaning sprays
- › NSF H1-registered
- › Ideal for lubrication systems or  
manual application
- › also for initial equipment  
and as a private label

Greases	Application		
<b>ELKALUB GLS 363/N3</b>	Solid universal grease, for shaft seals (e.g. for mash tuns, lauter tuns), for bearing lubrication of electric motors and compressors		<small>Nonfood Compounds Program Listed H1</small>
<b>ELKALUB GLS 367</b>	Universal grease (NLGI class 00, 2)		
<b>ELKALUB GLS 595/N2</b>	High-temperature grease for embossing, sealing or gluing applications (e.g. Nordson hot melt units) in packaging machines. For lifting cylinders and rotary valves (e.g. malt milling)		
<b>ELKALUB GLS 794/N2</b>	High-performance silicone grease, neutral to beer foam, for taps, gate valves and aseptic valves (Evoguard, Pentair Südmo, GEA)		
<b>ELKALUB GLS 762</b>	Special silicone grease, without PTFE, for centralised lubrication Krones rotary distributors		
<b>ELKALUB GLS 867</b>	Polyglycol-based assembly grease, washable, CIP-capable, for Krones rotary distributors		
<b>ELKALUB GLS 886</b>	Polyglycol grease (NLGI class 00, 2), for worm and bevel gears		
<b>ELKALUB GLS 967/N1-2</b>	Adhesive grease with high water resistance (e.g. for bottle washers)		
<b>ELKALUB GLS 980/N2</b>	High-quality synthetic and universal grease, for manual lubrication, lubricators or centralised lubrication systems		
<b>ELKALUB GLS 993 H1</b>	Sliding grease, high PTFE content, for hydraulic and pneumatic cylinders		
<b>ELKALUB VP 873</b>	Heavy-duty grease, for high loads and slow movements, also as assembly grease assembly grease, against cold welding and tribocorrosion		

Oils	Application	H1*	NSF*
<b>ELKALUB LFC 800</b>	Polyglycol oil, for peristaltic hose pumps (e.g. beer filtration, yeast transport)		 <small>Nonfood Compounds Program Listed H1</small>
<b>ELKALUB LFC 3032</b>	Medical white oil (ISO VG 32), for hydraulic and pneumatic units		
<b>ELKALUB LFC 8000 series</b>	Polyglycol oils, various viscosities (ISO VG 150-680) as CLP gear oils (especially worm gears)		
<b>ELKALUB LFC 9000 series</b>	Synthetic high-performance oils, various viscosities (ISO VG 22-680), as CLP gear oils, for chains, compressors, circulating oil lubrication		

Sprays	Application	H1*	NSF*
<b>ELKALUB FLC 367</b>	Universal grease spray		 <small>Nonfood Compounds Program Listed H1</small>
<b>ELKALUB FLC 745</b>	Silicone spray, for sliding movements (e.g. packaging machines), dirt-repellent, impregnating		
<b>ELKALUB FLC 3010</b>	Universal oil spray based on medical white oil		
<b>ELKALUB FLC 9010</b>	Synthetic oil spray, for higher loads		
<b>ELKALUB FLC 8 H1</b>	Adhesive lubricant, for chains and racks, especially transport systems in packaging machines (e.g. carton packers, palletisers), also available as a liquid adhesive lubricant (ELKALUB LA 8 H1)		
<b>ELKALUB FLC 900 Clean</b>	Cleaning spray, removes oils, greases and adhesives, evaporates without leaving any residue		

\* All products listed here are NSF H1 registered and approved for use in the food industry.

Our product	can replace the following product after consultation
<b>ELKALUB FLC 367</b>	Krones celerol SP 7401
<b>ELKALUB FLC 900 Clean</b>	Krones celerol DG 7800
<b>ELKALUB GLS 595/N2</b>	KHS High Temp Grease 05, Krones celerol L 7006, SMC GR-H 800
<b>ELKALUB GLS 762</b>	Krones celerol L 7008
<b>ELKALUB GLS 794/N2</b>	KHS Seal & Silicone Grease 04, Klüber Paraliq GTE 703, Krones celerol L 7001
<b>ELKALUB GLS 980</b>	KHS Multi Grease 01, KHS High Pressure Grease 02, Krones celerol L 7003, L 7007, L 7009-10
<b>ELKALUB LFC 800</b>	Bredel Genuine Hose Lubricant
<b>ELKALUB LFC 8000 series</b>	KHS Gear Fluid PG, Krones Celerol FL 7208, FL 7210, FL 7212
<b>ELKALUB LFC 9000 series</b>	Kaesar-Sigma Fluid FG-460, KHS Gear/Pressure/Lift Fluid, Krones celerol FL 7201-05, FL 7214, FL 7221
